In this newsletter, we'll be your guide to all things spring and summer, from exciting activities and upcoming improvements to tips for making the most of your time amidst the lush greenery and vibrant blossoms.

In addition to changes to our on-line registration system for ease of use, we are extending our Administration Office hours providing greater flexibility. Page 15 details the addition of early morning and evening hours June 3 through August 2 to accommodate busy schedules whether in person or by telephone. We also have 3 Saturday mornings our Administrative Office Staff is here to serve you!

Do you have your Parks Passport Card? Don't forget as a Resident of the City of St. Charles, you'll need your card to enter Blanchette or Wapelhorst Aquatic Facilities. The current card is valid through December 31, 2024 so if you still have one from last year, you are ready for swimming season. Need a Parks Passport Card, visit our Administration Office with a valid driver's license and current utility bill for proof of residency. Oh, and they are FREE.

Join us as we celebrate the arrival of the seasons, breathe in the fresh air, and revel in the joy of spending time outdoors. Whether you're seeking peaceful moments surrounded by tranquil landscapes or adventures with friends and family, our parks have something for everyone.

So grab your sunscreen, pack a picnic, and let's embark on a journey filled with sunshine, laughter, and unforgettable memories in our beloved parks, "An Extension of Your Own Backyard!"

PARK HIGHLIGHTS

With the season beginning to warm and the smell of fresh redbud and magnolia tree blooms in the air, we feel the energy of summer just around the corner. It is with that same exciting energy that we look forward to upcoming additions and improvements throughout some of our favorite St. Charles City Parks.

The summer of 2024 is set to kick-off with a completely updated playground at Schaefer Park. The current playground structures are original from before the park development was completed in 2005. Nearly 20 years of use and wear has brought the need for updated playground equipment and surfacing, all scheduled to be ready before summer hits.

Also new for summer of 2024 is an update to the George F. Gould Community Building. The building includes a set of restrooms that previously served building renters and park users alike. Now the building will have internal restrooms only accessible by renters as well as a new set of external restrooms for all park users. The building's roof is also being updated. The renovations will be ready before the pool opens and summer day camp starts filling the park.

Last, but certainly not least, we are excited to introduce a new amenity to our parks system with the development of an all-new 18 hole disc golf course in McNair Park. The addition of disc golf means new experiences for park visitors. The disc golf course will be installed in phases. Baskets and signage will be installed before fully developed tee pads and final basket placements are permanently set. We look forward to park visitors finding new ways to get out some energy and enjoy St. Charles Parks this summer!

ADULT FITNESS

NEW! - YOGA IN THE PARK

BEYOND AND BASICS: This is an alignment-based hatha yoga class that incorporates basic and intermediate postures. It's perfect for practitioners who have already tried yoga and have a little familiarity with it! Classes typically begin with guided breathwork or meditation, transition to traditional warm-up poses, build heat through creative salutations, and culminate in a peak posture, which we work on for a few weeks. Peak poses incorporate multiple "pit stops" along the way where practitioners can choose to stay or progress further based on individual comfort and ability level. This is a community-practice style class where the instructor will provide demos and offer assistance as needed.

POWER YOGA CLASS: This yoga class focuses on blending strength and flexibility through a series of poses and movements. You can expect a balanced session incorporating dynamic sequences to enhance muscular strength, alongside postures aimed at improving flexibility and mobility. Emphasis is placed on mindful breathing, alignment, and gradual progression, catering to practitioners of various skill levels. The class promotes both physical endurance and the cultivation of a more supple body, fostering a sense of balance and well-being.

4 WEEK PROGRAM | FEE: \$30.00 PER PERSON

Bring a water bottle, mat, and any extra props you like to use-such as blankets, blocks or straps. Some supplies may be available for loan through the instructors.

JIM WOLTERING

When a pipe burst in the basement of Memorial Hall, several people gathered in ankle-deep, freezing cold water to find a solution. This included Jim Woltering, Maintenance Supervisor for St. Charles Parks and Recreation Department. A jack of all trades, Jim does everything from electrical to plumbing to carpentry, all these skills coming from a lifetime of experience. Before working for the Park Department, Jim worked in construction and St. Charles County as an electrician.

After hearing about the great work environment in the St. Charles Parks and Recreation Department, he joined the maintenance team. On March 12th, we will celebrate his 21st anniversary of working in the department. Over the years, Jim's knowledge and expertise has touched all aspects of our parks. Not only has Jim helped to train and educate most of the maintenance staff, he often helps other divisions within the department.

Whether he was performing regular maintenance at one of the Aquatic Facilities, replacing lights at one of the ball diamonds, or restoring electricity to the stage at Riverfest, Jim has helped many enjoy their time in the city he calls home.

Jim has been a St. Charles resident since 1989 where he raised his three children with his wife. His two sons are married while his daughter is currently finishing up college. He calls McNair his home during work hours, but also names it as his favorite St. Charles Park. McNair Park connects to his neighborhood and is the perfect place for an evening walk.

Whether it's a swim at the pool, a walk around the park, or catching a few innings of exciting baseball, you are sure to have a good time at Blanchette Park on Memorial Day Weekend. In addition to

the pool opening and baseball, there will be pickleball tournaments, horseshoes, and a business/vendor tent area.

On Sunday, it was Jefferson City, MO edging out Jerseyville, IL to take home the championship trophy. We expect more excitement this year.

Horseshoes have always been a summer favorite. Join a team or grab a comfortable seat and watch some of the best horseshoe pitchers show how it's done. The National Horseshoe Pitchers Association of America governs this sport in the United States and holds national and world championship tournaments annually.
